Welcome to the
H.U.B.!

Hey, Hoppers!
Froggy-T & Bunnie used their imaginations and hopped all the way to Saturn! Now it's **YOUR** turn to join the adventure!

We learn when we:

H
HYPOTHESIZE
What do you think?

U
UNCOVER
What did you discover?

B
BUILD
What can you create?

To the H.U.B., Hoppers!

3
H HYPOTHESIZE

Before you watch Bunnie...
What do YOU think?

What do you think Saturn's rings are made of?

Do you think you could stand on Saturn like you stand on Earth?

Do you think Saturn has moons?

Draw what you think Saturn looks like **BEFORE** watching!

4
U UNCOVER

Time to uncover!
Scan the QR code and travel to Saturn with **Bunnie**

Watch Bunnie's Saturn Adventure!

Let's use our imagination!

While you watch, be a Space Detective! What do you notice?

What Did You Discover?

☐ Saturn has rings.
☐ Saturn has many moons.
☐ Saturn is mostly made of ice.
☐ Saturn is very cold.
☐ I learned something new!
